

**CALL FOR TANDEM GROUPS
MAX PLANCK IN COLOMBIA**

ADDENDUM 1

Those interested in participating in the Call for Max Planck Tandem Groups in Colombia please note that terms of the call are modified as follows:

SECTION MODIFIED: 4. Eligibility

Sections 4.1 and 4.2, which are currently in the following way:

- 4.1. *Vacancies for a tandem research group are only available for applicants with a PhD or equivalent degree. Eligible candidates must be at an early stage of a successful scientific career, with at least 3 years of postdoctoral experience in internationally competitive research groups, as well as motivated to develop and carry out an internationally competitive research program.*
- 4.2. *This call is aimed, in particular, for candidates of excellence who have already held one or two postdoctoral positions in different laboratories and who want and are considered suitable to lead a research group, in order to jointly, develop their own research ideas.*

Are modified as follows:

- 4.1. *Vacancies for a Tandem research group are only available for applicants with a doctorate. Eligible candidates should preferably be at an early stage of a successful scientific career, with at least 3 years of postdoctoral experience in internationally competitive research groups, as well as be motivated to develop and carry out an internationally competitive research program.*
- 4.2. *This call is aimed at candidates of excellence who preferably have already held one or two postdoctoral positions in different laboratories, and who want and are considered suitable to lead a research group, to jointly develop their own research ideas.*

The other terms of the call will remain unchanged.

This addendum is published in Bogotá on the 4th day of August and becomes effective upon publication.
