

**CALL FOR TANDEM GROUPS
MAX PLANCK IN COLOMBIA**

ADDENDUM No. 5

Those interested in participating in the Call for Max Planck Tandem Groups in Colombia please note that terms of the call are modified as follows:

SECTION MODIFIED: 6. Schedule

Sections 6, modified in addendum 2, which are currently in the following way:

Call opening	April 30, 2021
Deadline for submission of proposals including letter of support from a Max Planck Institute	September 30, 2021
External pre-evaluation coordinated by the Liaison Office of the Max Planck Society in Latin America	October 20 to October 25, 2021
Carrying out the selection symposium	November 2, 2021
Publication and notification of selected proposals	November 4, 2021

Are modified as follows:

Call opening	April 30, 2021
Deadline for submission of proposals including letter of support from a Max Planck Institute	October 19, 2021
External pre-evaluation coordinated by the Liaison Office of the Max Planck Society in Latin America	October 20 to November 2, 2021
Carrying out the selection symposium	November 8 to November 12, 2021
Publication and notification of selected proposals	November 16, 2021

In relation to the requirement established in section 4.3 related to the support letter from one of the Max Planck institutes (Annex II) may be sent no later than 2nd November 2021. Given that, from 20th to 2nd November 2021, it will be carried out the external Pre-evaluation, coordinated by the Liaison Office of the Max Planck Society in Latin America.

The other terms of the call will remain unchanged.

This addendum is published in Bogotá on the 25th day of October and becomes effective upon publication.
